Sun Canyon School 2019-2020 - 070445104

PRINCIPLE 2 - Effective Teachers and Instruction

Sun Canyon teachers need professional development in rigor, our new curriculums, and from each other. Teachers need to be able to observe peers and learn new teaching strategies.

Desired Outcomes: Teaching instruction will be more rigorous and will include effective teaching strategies. Student Achievement and Growth will increase due to improved teaching.

Based on our CNA completed in April 2019, Sun Canyon feels that this principle is one area of focus for our school. We noticed in our results the need for more rigor, time for peer observations, and the need to learn the new curriculums.

Filing Cabinet Count	0
Goal Guidance and Resources Available	1

STRATEGY Professional Development

We will provide professional development to teachers that need to improve the rigor of their lesson plans and instruction. We will provide the needed professional development for the new curriculum. We will provide time for structured peer observation.

Filing Cabinet Count	0
----------------------	---

ACTION STEP Professional Development - Rigor

The leadership team will research best practices and strategies to increase rigor and will provide professional development to all staff in need based on end of the year teacher surveys and our CNA.

Status	In Progress 04/17/2019	Filing Cabinet Count	0

Sun Canyon School 2019-2020 - 070445104

PRINCIPLE 4 - Effective Curriculum

Sun Canyon teachers need access to strategies, instructional materials, and professional development to provide a well rounded education to all students. Teachers will need professional development in the new curriculum of math and social studies to allow for effective integration of the new programs.

Desired Outcome: All students will receive a well-rounded education through a variety of curricula, strategies, and resources. Student achievement and growth will increase because of the more effective curriculum and practices.

Based on the CNA complete in April 2019, Sun Canyon feels this principle is on area of focus for our school. We noticed in our results the need for training in the new curriculum and the need for strategies and supplements to older curriculum to ensure we are providing a well-rounded education to all student.

After review of AZMERIT results, Sun Canyon had determined the need to focus on the subgroup of Students with Disabilities and ensure that students are receiving the instruction, curriculum, and resources they need to become proficient on state testing.

Filing Cabinet Count	0
Goal Guidance and Resources Available	1
